### **Claims of CPE's Collaboration in Vietnam Education Fair are False**

The Council for Private Education (CPE) has obtained promotional material which states that the CPE is in collaboration with 'Vinahure Study Abroad Consultant Company' (VSACC) to organise a "Study abroad in Singapore Fair 2014". The CPE would like to clarify that it has no working relationship and/or collaboration with VASCC and is neither aware of, nor participating in the above event as claimed in the promotional letter.

2 It has also come to our attention that several private education institutions (PEIs) have been approached to participate in the "Study abroad in Singapore Fair 2014" to be held in Hanoi on the 20 April 2014. The CPE would like to remind all PEIs to be vigilant of such deceptions.

3 If faced with a similar situation, PEIs should contact their CPE account holders for clarification immediately and file a police report. Members of the public who encounter similar cases should contact the CPE at 6592 2108 or via email at [CPE\\_Contact@cpe.gov.sg](mailto:CPE_Contact@cpe.gov.sg) and file a police report.
