**Notes**

1. For training conducted outside working hours, AP funding is given to the employers to defray the overtime pay that was paid to their employees. Hence to qualify for AP funding, employers must have in place a Human Resource (HR) policy which provides for the payment of overtime pay to employees for these training hours and pay their employees overtime pay for these hours, in accordance with the HR policy. Allowance, stipulated by MOM, to be paid to employees for training conducted outside working hours, can be considered in lieu of overtime pay. The amount of allowance to be paid to the employees must be in accordance with the rate(s) set out in the MOM's website (<https://www.mom.gov.sg/faq/salary/if-i-have-to-attend-training-outside-normal-working-hours-can-i-be-paid-for-it>).

2. AP funding for courses offered by SSG-appointed CET Centres include eligible courses supported by SG Enable for PwDs but exclude sheltered workshops. For more information on Skills and Training Support for PwDs, please refer to [Enabling Academy by SG Enable](#).
